After School Program Schedule

Chess Wizards:

Chess Wizards offers fun, intellectual, and challenging chess education and tournament experiences to children of all abilities and ages. Our chess instruction is held at participating schools, as well as park districts, churches, and chess clubs. We also offer private lessons, run scholastic tournaments, and hold chess camps in the summer. We believe learning should be fun! Kids play chess because it is fun, not because it 'is good for their cognitive, social, and emotional development.' Our students learn chess is fun on Day 1! In addition to lessons and traditional gameplay, we incorporate variations of chess games that build teamwork and foster a genuine enjoyment of a game over a thousand years old!

Cost: \$16 per child

Superior Martial Arts Training Center:

At the Superior Martial Arts Training Center our students face the same challenges that you also must face in life. The difference is, we remember that we are martial artists' and our mental strength is to be as strong as our physical and therefore we are able to overcome adversity with a positive mindset because we have been given the tools to reach our best potential.

Our Academy offers something for everyone! We offer quality Martial Arts training, but we are also a licensed childcare facility with a range of services. We have classes for students ages 5 and up and for every skill level and ability. Find out why men, women, children, and parents have chosen to train with us or utilize our other services.

Cost: \$60 per person
